

Redox Customer Contact Sheet

Please list the team members at your organization that will be involved in Redox-related work. This will help ensure that we send appropriate communications to members of your team and enable your organization to go live on our network as soon as possible.

Once completed, please email the .pdf back to your Redox account executive.

- Asterix (*) indicates required roles.
- The same team members can fill multiple roles.
- Multiple people can be listed for the same role.
